Making a Claim

Claiming is Easy

If something happens that affects Your Pet:

- > please call Us on **1800 999 738**; or
- > visit Our website at: **vetschoice.net.au**

We can be notified of a claim anytime, 24 hours a day, 7 days a week.

You should report to Us any incident You feel might give rise to a claim as soon as possible. Your Vet may be able to assist You to submit a claim at the time of Your Vet visit.

When You make a claim, We will tell You what You need to do to help Us manage Your claim.

You should also read and comply with the general conditions and general claims conditions that form part of Your Policy.

Supporting Information

You will need to provide relevant documents to Us in support of Your claim. We will tell you the information We need You to provide for each Part of Your Policy.

In order to be able to process Your claim We will require all relevant itemised tax invoices, payment receipts and applicable consultation notes.

If You are submitting a claim for the first time, We may ask You to provide a full veterinary history from the attending Vet and any previous Vets who have treated Your Pet. Any delay in providing this information may result in a delay in processing Your claim.

We may directly contact Your attending Vet or any previous Vets who have treated Your Pet to seek information and clarification on Your claim.

- > When You make the first claim for Your Pet, We may require Your Pet's full clinical history. The full clinical history is a record of all visits Your Pet has made to a Vet and this information will be obtained from each Veterinary Practice Your Pet has attended. We may also require additional information about Your Pet's full clinical history for certain conditions.
- > When an invoice from Your Vet includes costs for the provision of services, procedures and/or Treatment for multiple conditions We may seek clarification from Your Vet in order to identify the costs relating to each condition, procedure or service performed in order to determine if multiple claims are required and calculate the amount You are Covered for and entitled to claim under Your Policy.

When We Finalise Your Claim

When We have finalised Your claim We will send You advice regarding the settlement of Your claim. The advice will provide the details of how Your claim has been settled.

Claims Involving Your Pet Being Injured by a Third Party

If Your Pet has been injured, killed, or requires humane euthanasia due to being injured by a person, another animal or by a vehicle, We may seek further information to assist Us in managing Your claim including:

- > circumstances of the incident;
- > contact details for other parties or witnesses;
- > digital evidence – e.g. phone & dash-cam videos; and
- > police reports or communication with other relevant authorities.

Pet Owners' Liability

If any incident occurs involving Your Pet and injury to a person or another animal or damage to the property of a third party:

- > contact Us as soon as possible to let Us know, even if You don't believe a Claim will be made against You at this time;
- > do not admit responsibility or agree to pay or negotiate with anyone to pay any Claim or compensation;
- > any writ, summons or legal documents received by You need to be sent to Us immediately. You should not respond to any of these documents; if the incident is Covered by Your Policy We will do that for You. If the incident is not Covered by Your Policy We will discuss with You the steps You should take to deal with those documents.

Introduction and Product Disclosure Statement

Please read this Product Disclosure Statement and if You are in doubt as to how it may affect You please contact Us and ask for an explanation.

Applying for Cover with Us

Prior to this Policy coming into effect You have provided Us with information in support of Your request for Cover with Us. The information that You have provided to Us is referred to as Your Application for this Policy and the information You have provided is set out on the Schedule and the addendum attached to the Schedule.

You must ensure the information provided to Us is accurate and that You have complied with Your duty of disclosure. We have relied on Your Application to decide whether to issue this Policy and, if We do so or have, the terms and conditions upon which We do/did so.

When You have paid the Premium, or agreed to pay the Premium, We will issue You with a Schedule, an addendum to the Schedule and this policy-booklet. If payment of the Premium as stated on the Schedule is not made then there is no Cover provided under this Policy.

Your Policy

Your Policy consists of:

- > the Policy wording;
- > a Schedule and an addendum attached to the Schedule; and
- > other documentation indicating a change to Your Policy, including Endorsements.

The Policy wording, together with the Schedule and the addendum attached to the Schedule, form the legal contract of insurance between You and Us.

This policy-booklet consists of:

- > the Product Disclosure Statement and other important information that You need to know before You take out a Policy with Us. This important information applies either to all Parts or to certain Parts of this Policy; and
- > the Policy wording, which forms part of Your legal contract with Us and tells You:
 - > what Your Policy Covers;
 - > what Your Policy does not Cover;
 - > Excesses that apply to claims under this Policy; and
 - > conditions that relate to Your Cover and to claims You may make under this Policy.

The Schedule will state the details of the insurance Cover which You have selected and which are particular to You and includes any Endorsement that changes or limits the Cover stated in the Policy wording.

When We change Your Policy details during the Period of Cover We will send You a new Schedule. This Schedule will be titled 'Policy Change' and will contain details of the Endorsement to Your Policy.

We will also provide You with a new Schedule at each renewal of Your Policy Cover.

We will only provide insurance Cover for the Period of Cover stated on the Schedule.

Please read this policy-booklet together with the Schedule, the addendum attached to the Schedule and any accompanying documents carefully and keep them in a safe place for future reference.

Your Policy Renewal

Prior to each anniversary date of this Policy We will send You a notice to advise You that Your Policy Cover will expire on the anniversary date.

If We invite continuation of this Policy beyond the anniversary date We will send You a renewal invitation. That invitation will be in the form of a Schedule similar to the one We provided to You at the start of Your insurance Cover with Us and will set out the terms and conditions of Cover and the Premium for the next Period of Cover.

We will also provide You with a copy of the addendum to Your Schedule from either the commencement of this Policy or from the last renewal of this Policy, whichever is the later. We will ask You to check the information contained in the addendum to make sure the information which You have previously provided to Us, and which We have relied upon to provide Cover to You, has not changed. You will be asked to advise Us of any changes to the information contained in the addendum. It is important that You advise Us of any changes to that information as We will rely on that information to offer You renewal of this Policy.

Your failure to advise Us of any change to the information contained in any addendum may breach Your duty of disclosure to Us and may subsequently affect the Cover under this Policy in a significant way.

The renewal invitation may contain changes to Your Cover and, if so, those changes will apply to the following Period of Cover. Your payment of the renewal Premium will signify Your acceptance of those changes to Your Cover.

For example, We may change the terms and conditions of the Policy to reflect changes to the risk associated with insuring Your Pet based on factors such as Your Pet's age, Home, medical history, and changes We may make to the level of Cover. Your renewal Premium may also reflect any change in circumstances.

Please contact Us if You would like further information about the Code of Practice. Alternatively, You can view the Code of Practice at codeofpractice.com.au.

How We Calculate Your Premium

We use a range of factors to calculate Your Premium. The following table shows some of the key factors that affect Your Premium.

When You change or renew Your Policy We review Your Premium taking into consideration any relevant changes in Your circumstances.

Premium Factors	
Species Breed Age Gender Neutered/Spayed	Each breed of Pet is prone to a range of different health conditions that will change over their lifetime.
Location	Where Your Pet is located will impact on the cost of providing Cover under Your Policy. Some conditions are more likely to occur in different areas and the cost of treatments can differ by location.
Excess	Choosing a higher Excess will reduce Your Premium.
Number of Pets	We may provide a discount where multiple Pets are insured under Your Policy.
Claims Experience	We recognise that healthy Pets deserve recognition and may adjust Your Premium on renewal to reflect claims made against Your Policy.
Other Factors	The level of Cover and any optional Covers taken; Our claims experience; and events that impact the insurance industry may all impact the Premium.

Significant Features and Benefits

Vets Choice Insurance is designed to help Pet owners manage the unexpected financial risks associated with ownership of their family Pet.

The Policy does not Cover every circumstance or expense and We have certain terms, conditions, exclusions and limitations that are designed to help keep Premiums low.

Your Policy Covers have been selected in consultation with practising Australian Vets to provide protection against

large and unexpected Treatment costs. This includes broad coverage for Accidental Injuries and Cover for a list of specified Illnesses stated in the Policy. If Your Pet is diagnosed with one of the specified chronic conditions, namely arthritis, diabetes or epilepsy, We will only Cover You for the costs involved in the investigation and diagnosis by Your Vet, not for any ongoing Treatment of those conditions.

A summary of significant features and benefits is set out below. For the full details of Your Cover You must read the entire Policy.

Summary	
Accidental Injury	Where Your Pet sustains an Accidental Injury Covered under Part A of this Policy You are Covered for the cost of Vet Fees for Treatments provided by Your Vet during the Period of Cover.
Specified Illness	Where Your Pet develops one of the specified Illnesses listed as Covered in the Policy under Part B, You are Covered for the cost of Vet Fees for Treatments provided by Your Vet during the Period of Cover.
Pet Owners' Liability	Covers You for Your legal liability for damage to someone else's property or bodily injury of another person for which You are legally liable as the owner of Your Pet.
Essential Euthanasia	We will pay the Vet costs to euthanise Your Pet if a Vet decides it is essential due to an Accidental Injury or an Illness Covered under this Policy.
Preventable Conditions Extension (Additional)	We will pay for approved Vet Fees for Treatment in the event that: <ul style="list-style-type: none"> > Your Pet was vaccinated against one of the illnesses listed in the Preventable Conditions Extension, and that vaccination failed to prevent Your Pet from contracting the illness; or > Your Pet was de-sexed and subsequently developed Pyometra.
Dental (Optional)	If You choose to take the optional Dental benefit, We will pay for approved Vet costs for the Treatment of specified dental conditions up to the applicable annual sub-limit.
Dental Plus (Optional)	If You choose to take the optional Dental Plus benefit, We will pay for approved Vet costs for certain preventative dental Treatments up to the applicable annual sub-limit. You don't need to pay any Excess for these benefits and no waiting period applies.
Cruciate Ligament Extension (Optional)	If You choose to take the optional Cruciate Ligament Extension, We will increase the sub-limit provided for cruciate ligament related conditions under Part B – Illness by \$2,000 to a total of \$5,300 for each Pet in any one Period of Cover.
Waiting Periods	Waiting Periods apply to most claims under this Policy. We do not pay for claims that arise before Your Cover commences. Any conditions arising during the Waiting Period will not be eligible for Cover. Waiting Periods are shown on Your Schedule.
Excess	An Excess will apply to most claims made under Your Policy. Your Excess is shown on Your Schedule.
Benefit Limit	We pay up to \$12,000 for all claims in total per Pet in any one Period of Cover. If the limit is reached, We will not make any more payments until Your Policy is renewed. When Your Policy is renewed the limit will be available again for Treatment provided in the new Period of Cover. We will never pay more than the Benefit Limit in any one Period of Cover.
Limit of Liability for Pet Owners' Liability	Claims under Part C – Pet Owners' Liability are subject to a separate Limit of Liability as stated on Your Schedule and described under Part C of this Policy Wording. In any one Period of Cover We will pay up to \$100,000 for all claims in total.

Introduction and Product Disclosure Statement

Summary	
Sub-Limits	<p>In any one Period of Cover We limit the total amount We will pay for claims for the following conditions, Treatments or types of Accidental Injury or illness for each Pet:</p> <ul style="list-style-type: none"> > Cruciate Ligament – \$3,300 (unless the optional Cruciate Ligament Extension is shown on Your Schedule); > Tick Paralysis – \$2,500; > Ingesting Foreign Objects – a maximum of one incident per Pet; > Essential Euthanasia – \$500.
Multi Pet Discount	You may receive a discount where multiple Pets are included on Your Policy.
Healthy Pet Discount	We recognise that healthy Pets deserve recognition and may adjust Your Premium on renewal to reflect claims made against Your Policy.
Specific Treatments not Covered	<p>The general exclusions to this Policy state what is not Covered by Your Policy. You should read the general exclusions to make sure the Cover provided under this Policy meets Your needs.</p> <p>For example, there are some Treatments that will not be Covered under this Policy, including:</p> <ul style="list-style-type: none"> > General Consultations; > Dental Treatment (unless the optional Dental benefit is shown on Your Schedule); > Alternative or Complimentary Treatment; > Elective Treatment; and > Preventative Treatment (unless the optional Dental Plus benefit is shown on Your Schedule).
Prior Injury or Health Conditions not Covered	Your Policy has been designed to Cover Accidental Injuries and Illnesses that arise during the Period of Cover. It does not Cover any changes that You or Your Vet notice in Your Pet's health before Cover under this Policy commences, or any illness or injury that develop from those changes.
Bilateral Conditions and Related Conditions	<p>Some conditions faced by Your Pet can spread from one body part to another, for example a skin condition on the back can spread to the stomach: these are considered Related Conditions. In other cases, the existence of one condition can lead to a higher chance of a similar condition in an opposing body part, such as a cruciate ligament problem with the left knee which is followed by similar condition in the right knee: these are considered Bilateral Conditions. Where a condition presents before Cover commences, or during a Waiting Period, all Related Conditions and Bilateral Conditions would be excluded from future Cover.</p> <p>If Your Pet is fit and healthy, with no existing injury or illness when Cover under Your Policy commences, then Cover would be available with no exclusions for Pre-existing, Bilateral Conditions or Related Conditions for the lifetime of Your Pet.</p>
Care of Your Pet	You must act prudently in the care and protection of Your Pet. This includes provision of proper maintenance and preventative care, as well as prevention and appropriate ongoing management of any injury or illness after it occurs; not doing so may jeopardise Your ability to make a claim.
Lifetime Care Renewal Guarantee	Your Policy provides a lifetime care renewal guarantee. This means that You can continue to claim for ongoing Treatment of conditions covered by Your Policy provided You renew Your Policy each year.
Premium Increases as Your Pet Grows Older	Cats and dogs, like humans, are more prone to illness as they get older and their likelihood of needing treatment increases. This means that Your insurance Premium is likely to increase each year as Your Pet gets older.

If We ask You questions that are relevant to Our decision to insure You and on what terms, You must tell Us anything that You know and that a reasonable person in the circumstances would include in answering the questions.

You have this duty until We agree to insure You.

You have the same duty before You renew, extend, vary or reinstate an insurance contract.

- > is common knowledge; or
- > We know or should know as an insurer; or

If You Do Not Tell Us Something

If You do not tell Us anything You are required to tell Us, We may cancel Your contract or reduce the amount We will pay You if You make a claim, or both.

Important Information

The following important information applies to all Parts of this Policy. Please read this information carefully and if You are in any doubt as to how this information may affect You please contact Us and ask for an explanation.

Alteration of Risk

This Policy Covers You as You have represented Yourself to Us. It is important for You to advise Us immediately of any changes to Your circumstances that may result in an increased risk of an incident that may cause harm to Your Pet or liability to third parties.

In particular, We need You to advise of any change that involves:

- > a change to Your Home address or the address where Your Pet normally lives if Your Pet no longer lives with You at Your Home;
- > the ownership of Your Pet;
- > Your dog being declared a dangerous dog, a menacing dog or other similar declaration;
- > any restrictions being placed on Your dog; or
- > Your Pet being de-sexed.

You should refer to the general exclusions of this Policy to understand what We do not Cover in respect of dangerous dogs.

We have relied on all of this information to provide Cover under this Policy and the terms and conditions on which We provide that Cover.

When We receive Your notification of a change We may:

- > adjust the Premium or terms of this Policy; or
- > cancel this Policy, in accordance with the provisions of the *Insurance Contracts Act 1984* should We not wish to continue with this insurance.

Claims Happening or Treatment Provided Outside of Australia

There is no Cover under this Policy for:

- a. claims arising from any Accidental Injury, Illness or liability occurring outside of Australia; or
- b. Treatment provided to Your Pet outside of Australia.

Commencement of Cover and Cover Limitations

Commencement of Cover

The Cover provided under this Policy does not commence until We have accepted Your Application or We have otherwise confirmed We have accepted Your insurance and You have paid the Premium to Us.

Cover Limitations

The Policy contains exclusions to Your Cover and You should read the Policy wording in each Part and in the general exclusions of this Policy to understand what is not Covered and to satisfy Yourself that this Policy meets Your needs for Cover for Your Pet.

In particular:

The Cover under:

Part A – Accidental Injury; and

Part B – Specified Illness:

will not Cover You for every accident or illness Your Pet has.

Part A – Accidental Injury

Most injuries are Covered under Part A – Accidental Injury. We tell You those accidents or injuries We do not Cover.

You should read Part A – Accidental Injury and the definition of 'Accidental Injury' under 'General Definitions' to make sure this Cover meets Your needs and familiarise yourself with the relevant waiting periods accordingly.

Part B – Specified Illness

We specify the illnesses that You are Covered for and these are shown in Part B – Specified Illness.

We only Cover You for those specified illnesses.

You should read Part B – Specified Illness and the definition of 'Illness' under 'General Definitions' to make sure the Cover for the illnesses We specify meets Your needs.

Alternative or Complimentary Treatment

We will not Cover You for any expense incurred in respect of Alternative or Complimentary Treatment (as defined in this Policy) being provided to Your Pet.

You should refer to the definition of 'Alternative or Complimentary Treatment' under 'General Definitions' for details of treatments We do not Cover.

Bilateral Conditions

We define a 'Bilateral Condition' to mean any condition affecting body parts of which Your Pet has at least two: one each side of the body (e.g. ears, eyes, knees, cruciate ligaments).

When applying a Policy exclusion, a Bilateral Condition will be considered a single condition.

Important Information

Related Conditions

We define 'Related Conditions' to mean any conditions that have the same clinical signs, diagnostic classification or results from the same disease process.

When applying a Policy exclusion, Related Conditions will be considered a single condition.

Pre-existing Conditions

We will not Cover You for the cost of any Treatment for a Pre-existing Condition.

We define a 'Pre-existing Condition' to mean an injury or illness occurring or existing prior to the commencement of Cover under this Policy or within the Waiting Period that You or Your Vet were aware of or should reasonably have been aware of.

Any Bilateral Condition or Related Condition will also be considered a Pre-existing Condition.

For example:

- > if Your Pet shows signs of a cruciate ligament issue in the left leg prior to commencement of Cover under this Policy or within the Waiting Period, that issue will be considered a Pre-existing Condition and all treatment provided for that issue will not be Covered; and
- > any treatment for a subsequent cruciate ligament issue in the opposing right leg would be considered a Bilateral Condition and also excluded from Your Cover for future treatment.

Accidents that occur after the commencement of Cover, and relevant Waiting Periods have been served, will not be considered a Pre-Existing Condition.

Where it can be demonstrated that a Pre-existing condition is fully cured and is no longer relevant to the ongoing health of Your Pet that condition will no longer be excluded from Cover for any future treatment.

For example:

- > where Your Pet has shown signs of cancer prior to commencement of Cover under this Policy or within the Waiting Period, that condition will be considered a Pre-existing Condition and all treatment provided for that issue will not be Covered. Once that cancer has been successfully treated and complete remission evidenced, including no ongoing treatment or medication for at least 30-months, any subsequent incidence of cancer would no longer be considered a Pre-existing Condition.

Chronic and degenerative conditions will not be covered under Your Vets Choice policy unless they occurred after You joined Vets Choice. Arthritis, diabetes, epilepsy, and joint or ligament deterioration are examples of chronic and degenerative conditions.

However, We will provide Cover for any congenital defect or health abnormality in Your Pet provided You or Your Vet were

not aware of, and could not reasonably have known of, the defect or abnormality at the time Cover commenced under this Policy.

Waiting Periods

A Waiting Period applies to most Accidental Injuries and Illnesses Covered under Your Policy.

If Your Pet sustains an injury or first shows signs of an illness at any time in the Waiting Period then it will be considered a Pre-existing Condition and We will not Cover any costs relating to that injury or illness no matter when those costs are incurred by You..

The specific Waiting Periods are shown in Your Policy and/or on Your Schedule.

Generally, Waiting Periods are twenty-one (21) days for most Accidental Injuries or Illnesses.

For some Accidental Injuries We waive the Waiting Period completely.

For a cruciate ligament condition the Waiting Period is six (6) months.

Your Cover – Benefit Limit

The Benefit Limit specified on your Schedule represents the maximum amount You are Covered for in respect to all the claims you make in any one Period of Cover; but not including any claims for Pet Owners' Liability. Any expenses You incur above the Benefit Limit during the same Period of Cover will not be Covered.

Your Cover – Sub-Limits

There are Parts of Your Cover that have a particular benefit limit. We call this a Cover sub-limit.

If a sub-limit for a particular item, condition or Treatment is stated on the Schedule or elsewhere in Your Policy, We will not pay more than that amount in total for that item, condition or Treatment in any one Period of Cover (subject to the Benefit Limit having not been exceeded).

For example:

- > The maximum We will pay for the treatment of cruciate ligament conditions in any one Period of Cover is \$3,300 whether this cost arises from one or multiple claims during that Period of Cover.

There are other parts of Your Cover where a particular limit may apply. You should read the Policy Cover to ensure the Cover provided meets Your needs.

Your Cover – Limit of Liability

Pet Owners' Liability claims are subject to a separate Limit of Liability as stated on Your Schedule and described under Part C of this Policy wording.

Important Information

Costs Incurred Prior to Commencement of Cover or During the Waiting Period

Your Policy does not Cover costs incurred in respect of an Accidental Injury or Illness that occurred or existed that You or Your Vet were aware of or should reasonably have been aware of before Your Pet's Cover under this Policy first commenced or before the completion of any Waiting Periods stated in Your Policy in Parts A & B and/or on Your Policy Schedule;

Costs Incurred After the Period of Cover Expires

If You continue to incur expenses beyond the Period of Cover in which Your Pet sustains the Accidental Injury or Illness You will only be Covered for those expenses if You have renewed Your Policy with Us.

Excess

An Excess may apply to each claim under this Policy. The amount of any Excess applicable is stated on the Schedule.

We will deduct the amount of any Excess from Your claim before any Benefit Limit or Sub-limit is applied.

Your Excess is only applied once per claim even if You claim under more than one Part of Your Policy.

Where You claim for an ongoing condition over multiple Periods of Cover only a single Excess will be applied.

You should read the section How We Settle Your Claim to make sure the Cover meets Your needs.

Financial Support for Associations, Your Veterinarian and Charity

We pay interested parties and Our referral Partners up to 10% (ten per-cent) of Your Premium before government charges, in total no more than 18% (eighteen per-cent).

These relationships include:

- > the Australian Veterinary Association (AVA) where Our support may include financial assistance for:
 - > sponsorship;
 - > research and development;
 - > marketing assistance;

and

- > Your referring Veterinarian; and/or
- > charity and animal welfare organisations.

If You require further information about our agreement with the AVA, Your Vet or the charity, please contact Us.

Interests of Other Parties

This Policy will only Cover the insurable interest of the person or entity stated on the Schedule unless otherwise specifically Covered under any Part of this Policy.

Lifetime Care – Renewal Guarantee

Your Pet has lifetime Care renewal guarantee under Guild's Vets Choice Insurance Policy.

This means You can continue to claim under this Policy for Your Pet's Treatment for a Covered Illness or an Accidental Injury throughout Your Pet's lifetime provided You renew the Policy annually without a break in Cover, while Guild continues to issue Accident and Illness cover for Pets.

Cats and dogs, like humans, are more prone to illness as they get older and their likelihood of needing treatment increases. This means that Your insurance Premium is likely to increase each year as Your Pet gets older.

Premiums

Your Premium will be subject to the inclusion of:

- > GST in accordance with relevant taxation legislation; and
- > stamp duty as imposed by the relevant legislation of each Australian State or Territory.

When You change or renew Your policy We review Your Premium and increase or decrease it in line with any relevant changes to these factors.

Premium Payments by Instalments

When You pay Your Premium by instalments, then:

- > if an instalment Premium payment is overdue for a period exceeding fourteen (14) days We will refuse to pay any claim under this Policy arising from an event happening after the due date of the instalment Premium; and
- > if an instalment Premium payment is overdue for a period exceeding one (1) calendar month We will cancel this Policy without notice to You.

Waiver of Rights and Subrogation

Waiver of Rights

No provision of this Policy, either in whole or in part, shall be considered to have been waived by Us unless the provision is expressly stated in writing to be waived by Us.

Where We do waive Our rights to subrogation that waiver will be stated in any relevant Part of this Policy. You should refer to the Policy wording for those Parts where such a waiver applies.

Subrogation – Preventing Our Right to Recovery

If You have agreed not to seek compensation from another person who is liable to compensate You for any Loss, damage or liability which is Covered under this Policy We may not Cover You under this Policy for that Loss, damage or liability.

How We Settle Your Claim

Part A – Accident and Part B – Specified Illness Cover

We pay 100% of approved claim costs, less any relevant Excess, up to the annual limit for most claims under Your Policy. The Benefit Limit of \$12,000 is the maximum We will pay for each Pet in the Period of Cover, but not including claims made under Part C - Pet Owners' Liability.

For example:

Where Your Vet Fees for any one claim are:	\$1,200
and assuming We approve Your Vet Fees in full, then after deducting Your Policy Excess (in this example \$200):	\$200
We will pay You:	\$1,000

and You will still have **\$11,000** of Your Benefit Limit available for any future claims in that same Period of Cover.

In the event that a claim is subject to a sub-limit, as stated on Your Schedule, then the sub-limit is the maximum We will pay for claims of that type for each Pet in that same Period of Cover.

For example:

If, after deducting Your Excess, Your claim costs equate to:	\$4,500
and the claim is subject to a \$2,500 sub-limit:	Maximum \$2,500
then We will pay You:	\$2,500

You would not be able to make any further claims of the same type for treatment within that same Period of Cover as the sub-limit has been exhausted.

Part C – Pet Owners' Liability Cover

Claims in respect of Pet Owners' Liability are treated in a similar manner to Accidental Injury and Illness. The main differences are:

- a. Defence Costs are included in the Limit of Liability and are taken into account when arriving at the total cost of the Claim; and
- b. the maximum amount that can be paid by Us in any one Period of Cover is \$100,000 for all Claims in that same Period of Cover.

What We pay for

Your claim is based on factors such as the following:

- > whether Your Policy provides cover for the injury, illness or treatment Your Pet receives;
- > whether the Vet Fees incurred were required and are reasonable as assessed by Us;
- > whether any Excess applies;

General Claims Conditions

The following claims conditions apply to all Parts of this Policy.

Please read them carefully. It is important that these claim conditions are observed.

If You or any other person or party Covered under this Policy do not comply with these conditions the Cover under this Policy may be cancelled or We may reduce any claim payment to You or refuse to pay Your or their claim under this Policy.

Admission or Authorisations

In respect of the Cover provided under Part C – Pet Owners' Liability of this Policy You must obtain Our written consent before making any admission, offer, promise or offer of indemnity in connection with any claim under this Policy.

Claim Notification

In particular, You are required to:

- a. agree that any Vet, Vet Consultant or Veterinary Practice has Your permission to release any information We ask for about Your Pet; and
- b. provide Us with Your cooperation in assisting Us to handle any claim under this Policy on Your behalf including the gathering of all relevant information and Your attendance at court to give evidence; and

- c. at Your own expense, such records and other documents, proofs, information, explanations and other evidence as We may require for the purpose of investigating or verifying a claim under this Policy.

Claim Payments

Claims Payments in Australian Currency

Payment of all claims Covered under this Policy shall be made in Australian currency only.

Payments You Make to Your Vet or Veterinary Practice

It is Your responsibility to ensure Your Vet or Veterinary Practice is paid within the required time frame.

If an additional charge is added to the cost of Treatment provided due to the late payment of fees We will deduct this charge from the claim settlement.

If the Vet or Veterinary Practice provides a discount for paying the cost of Treatment within a certain time frame, You must provide payment within this time frame. If You do not, We will deduct the discount, which would have been provided, from the claim settlement.

We require fully itemised invoices for each and every payment We are required to make in respect of any claim under this Policy.

If We pay an amount for any injury or illness that, in our sole opinion, is not an injury or illness otherwise Covered under this Policy, and where We make such payment beyond Our legal obligation to do so under this Policy, that payment will not constitute a waiver of Our rights in respect of any past or future payments of a similar kind.

Payments We Make Direct to Your Vet

We may, in certain circumstances and at Our sole discretion, make payments direct to Your Vet or Veterinary Practice:

Provided that:

- a. if We receive a request to pay the claim settlement direct to Your Vet or Veterinary Practice We reserve the right to decline this request;
- b. any direct payments will be subject to Our regular assessment processes and timeframes; and
- c. if We agree for a claim payment to be paid directly to Your Vet or Veterinary Practice and You allow this then if the Vet who has Treated Your Pet asks for information about Your Pet insurance Cover that relates to a claim under this Policy, We will inform the Vet:
 - i. as to the extent of the Cover provided by Your Policy that relates to the Accidental Injury or Illness and proposed Treatment;

General Claims Conditions

- ii. whether or not, on the information provided by You, the claim is Covered or not Covered under Your Policy, and if Covered:
 1. what We will and will not pay for on Your behalf in respect of the proposed Treatment: and
 2. how the amount We pay is calculated.

Excess

If We agree to pay Your claim, We will deduct any Excess as stated on Your Schedule from the claim payment.

Our liability to make any payment in respect of a claim shall be limited to that part of the claim above the Excess.

Informing Police

You must report any instance of Your Pet being maliciously harmed to the nearest police station and provide Us with a copy of any written police report.

Legal Proceedings and Waiver of Legal Privilege

Solicitors and other legal representatives retained by Us to act on Your behalf, or on behalf of any other Insured, must at all times be at liberty to disclose to Us any information obtained in the course of so acting whether from You or any other person or entity. For that purpose You and any other person or entity Covered under this Policy agree to waive any claim to legal professional privilege in respect of such information. We may rely on such information to determine Our obligation to provide Cover under this Policy.

Loss Minimisation

You must do everything reasonable to prevent further Loss, Accidental Injury, Illness or liability following any event which is the subject of any claim under this Policy or which may lead to a claim under this Policy.

Our Right to Subrogation

Where We make a payment to You or on Your behalf in respect of any claim under this Policy We will have the right to recover or obtain contribution from any person or organisation whom We consider liable at law for the Loss, Property Damage or liability and We shall be entitled to all Your rights of recovery against such person or organisation and We have the right to take such action in Your name.

You will be required to do all that is necessary to assist Us for the purpose of enforcing any rights and remedies or of obtaining indemnity from any other party to which We are entitled under this Policy.

The amount recovered will be applied first to reducing the amount by which Your Loss exceeds the sum of the payment made by Us and any Excess applied. Any balance remaining after You have been fully compensated for Your Loss, up to the amount We have paid to You to settle Your claim under this Policy, including Our legal costs for recovery, will be retained by Us.

Preservation of Evidence

You must take all reasonable actions necessary to retain and preserve anything which might prove necessary or useful as evidence in connection with any claim under this Policy.

Third Party Interests

You must inform Us of the interests of all other parties who have a legal or financial interest in Your Pet.

Treatment

Additional Opinion

If You decide to take Your Pet to a different Vet for an additional opinion because You are unhappy with the diagnosis or Treatment provided, then:

- a. You must tell Us before You arrange an appointment with the new Vet. If You do not, We will not pay any costs relating to the additional opinion;
- b. if We request, You must use the Veterinary Consultant We appoint;
- c. if We decide the diagnosis or Treatment currently being provided is correct We will not pay any costs of any Treatment or other service provided in respect of Your Pet arising from or relating to the additional opinion;
- d. if We consider the obtaining of an additional opinion is warranted in a particular matter We may refer Your Pet's case history to Our Veterinary Consultant and if We request You must arrange for Your Pet to be examined by Our Veterinary Consultant. In such instances We will pay for:
 - i. the cost of the examination by Our Veterinary Consultant; and
 - ii. the necessary and reasonable expenses incurred by You with Our prior written consent for You, or someone appointed by You to act on Your behalf, to attend the appointment with Your Pet.

General Claims Conditions

Lifetime Care

If, over the lifetime of Your Pet, You have claimed substantial amounts under this Policy in respect of Your Pet's health then, to make sure Your Pet is receiving the best treatment available, We may require the following:

- a. before any further claims for Vet Fees can be considered by Us We may require Your Pet to be examined by Our Veterinary Consultant. When We do so, and You agree, We will pay for:
 - > the cost of the examination by Our Veterinary Consultant; and
 - > the necessary and reasonable expenses incurred by You with Our prior written consent for You, or someone appointed by You to act on Your behalf, to attend the appointment with Your Pet; and
- b. following the examination referred to in a. above:
 - > all future Vet Treatment (other than emergency life-saving treatment) may need to be authorised by Us before Treatment is carried out; and
 - > all such further Treatment may need to be carried out in conjunction with Our Veterinary Consultant.

If this becomes necessary, We will contact You prior to taking any action.

Your refusal or failure to cooperate with Us or with Our Veterinary Consultant in attending the examination or following a recommended course of Treatment aimed at improving Your Pet's health may result in Our refusal to pay for any further Treatment costs.

Over-Treatment

When We consider the Vet Treatment Your Pet receives may not be required, or may be excessive when compared with the Treatment normally recommended to treat the same Accidental Injury or Illness by general or referral Veterinary Practices, We reserve the right to request an additional opinion from Our Veterinary Consultant.

When Our Veterinary Consultant does not agree that the Vet Treatment provided is reasonably required We may decide to pay only the cost of the Vet Treatment that was necessary to treat the Accidental Injury or Illness as advised by Our Veterinary Consultant from whom We have received the additional opinion.

Fees and Costs

If the fees or costs charged by Your Vet or any other service provider are charged at a level higher than the fees normally charged by a general Veterinary Practice, referral practice or similar service provider, We reserve the right to request an additional opinion from Our Veterinary Consultant or similar service providers as to whether the fees are reasonable.

In the event Our Veterinarian Consultant or a similar service provider does not agree that the Vet Fees or other costs charged are reasonable We may decide to pay only the Vet Fees or other fees usually charged by a general or referral practice or a similar service provider in a similar area as determined by Our Veterinary Consultant and Us.

Your Right to Contest

Neither You or Us shall be required to contest any legal proceedings under this Policy unless Senior Counsel (mutually agreed upon by You and Us, or if no agreement can be reached within a reasonable time, then by the President at the time of the Law Society of the State or Territory in which this Policy has been issued) advises that such proceedings should be contested after taking into consideration the likely cost of defending the Claim, the prospects of successfully defending the Claim, the economics of the matter, likely awards or damages and the likely costs recovered from the third party.

The costs of such Counsel's opinion shall, for the purpose of this Policy, be regarded as part of the Defence Costs. Where We recommend settlement of a third party Claim under this Policy and You do not agree with the proposed settlement but wish the matter to remain contested, Our liability shall not exceed the amount for which Senior Counsel advises the matter could reasonably have been settled, including Defence Costs incurred up to that time.
