Making a Claim

Claiming is Easy

If something happens that affects Your Pet:

- > visit Our website at vetschoice.net.au; or
- > call Us on **1800 999 738**

We can be notified of a claim anytime, 24 hours a day, 7 days a week.

You should report to Us any incident You feel might give rise to a claim as soon as possible. Your Vet may be able to assist You to submit a claim at the time of Your Vet visit.

When You make a claim, We will tell You what You need to do to help Us manage Your claim.

You should also read and comply with the general conditions and general claims conditions that form part of Your Policy.

Supporting Information

You will need to provide relevant documents to Us in support of Your claim. We will tell You the information We need You to provide for each Part of Your Policy.

In order to be able to process Your claim We will require all relevant itemised tax invoices, payment receipts and applicable consultation notes.

If You are submitting a claim for the first time, We may ask You to provide a full medical history from the attending Vet and any previous Vets who have Treated Your Pet. Any delay in providing this information may result in a delay in processing Your claim.

We may directly contact Your attending Vet or any previous Vets who have Treated Your Pet to seek information and clarification on Your claim.

When an invoice from Your Vet includes costs for multiple Treatments We may seek information from Your Vet to clarify the type and number of conditions Treated to determine if multiple claims are required and calculate the amount Covered under Your Policy.

When We Finalise Your Claim

When We have finalised Your claim We will inform You in writing of how Your claim has been settled.

Claims Involving Your Pet Being Injured by a Third Party

If Your Pet has been injured, killed, or requires humane euthanasia due to being injured by a person, another animal or by a vehicle, We may seek further information to assist Us in managing Your claim including:

- > circumstances of the incident;
- > contact details for other parties or witnesses;

- > digital evidence – e.g. phone & dash-cam videos; and
- > police reports or communication with other relevant authorities.

Pet Owners' Liability

If any incident occurs involving Your Pet and injury to a person or another animal or damage to the property of a third party:

- > contact Us as soon as possible to let Us know, even if You don't believe a Claim will be made against You at this time;
- > do not admit responsibility or agree to pay or negotiate with anyone to pay any Claim or compensation;
- > any writ, summons or legal documents received by You need to be sent to Us immediately. You should not respond to any of these documents; if the incident is Covered by Your Policy We will do that for You.

If the incident is not Covered by Your Policy We will discuss with You the steps You should take to deal with those documents.

Introduction and Product Disclosure Statement

This Product Disclosure Statement and Policy Wording contains important details about Your Policy. Please read this carefully and if You are in doubt as to how it may affect You please contact Us and ask for an explanation.

Applying for Cover with Us

Prior to this Policy coming into effect You have provided Us with information in support of Your request for Cover with Us. The information that You have provided to Us is referred to as Your Application for this Policy and the information You have provided is set out in the Schedule and any addendum attached to the Schedule.

You must ensure the information provided to Us is accurate and that You have complied with Your **duty to take reasonable care not to make a misrepresentation**. We have relied on Your Application to decide whether to issue this Policy and, if We do so or have, the terms and conditions upon which We do/did so.

When You have paid the Premium, or agreed to pay the Premium, We will issue You with a Schedule, any addendum to the Schedule and this policy-booklet. If payment of the Premium as stated in the Schedule is not made then there is no Cover provided under this Policy.

Your Policy

Your Policy consists of:

- > the Policy wording;
- > a Schedule and any addendum attached to the Schedule; and
- > other documentation indicating a change to Your Policy, including Endorsements.

The Policy wording, together with the Schedule and any addendum attached to the Schedule, form the legal contract of insurance between You and Us.

This policy booklet consists of:

- > the Product Disclosure Statement and other important information that You need to know before You take out a Policy with Us; and
- > the Policy wording, which forms part of Your legal contract with Us and tells You:
 - > what Your Policy Covers;
 - > what Your Policy does not Cover;
 - > Excesses that apply to claims under this Policy; and
 - > conditions that relate to Your Cover and to claims You may make under this Policy.

The Schedule will state the details of the insurance Cover which You have selected and which are particular to You and includes any Endorsement that changes or limits the Cover stated in the Policy wording. We will only provide insurance

Cover for those Sections of the Policy and for the Period of Cover stated in the Schedule.

When We agree to change Your Policy details during the Period of Cover We will send You a new Schedule. This Schedule will be titled 'Policy Change' and will contain details of the Endorsement to Your Policy.

During the Period of Cover, We may issue a new Product Disclosure Statement or Supplementary Product Disclosure Statement if We need to make changes that are not materially adverse to You. Where We do so, We may notify You of the changes by making details of the update available at **guildinsurance.com.au**. You can also contact Us on **1800 810 213** to request a copy of the changes.

Please read this policy booklet together with the Schedule, any addendum attached to the Schedule and any accompanying documents carefully and keep them in a safe place for future reference.

Your Policy Renewal

Prior to each anniversary date of this Policy We will send You a notice to advise You that Your Policy Cover will expire on the anniversary date.

If We invite continuation of this Policy beyond the anniversary date We will send You a renewal invitation. That invitation will be in the form of a schedule similar to the one We provided to You at the start of Your insurance Cover with Us and will set out the terms and conditions of cover and the premium for the next period of cover.

Your Schedule and any addendum attached to the Schedule contains information You have previously provided Us. We will ask You to check the information contained in the Schedule and any addendum and advise Us of any changes.

It is important that You advise Us of any changes to that information as We will rely on that information to offer You renewal of this policy.

Your failure to advise Us of any change to the information contained in any addendum may breach Your duty to take reasonable care not to make a misrepresentation and may subsequently affect the Cover under this Policy in a significant way.

The renewal invitation may contain changes to Your Cover and, if so, those changes will apply to the following period of cover. Your payment of the renewal premium will signify Your acceptance of those changes to Your Cover.

For example, We may change the terms and conditions of the policy to reflect changes to the risk associated with insuring Your Pet based on factors such as Your Pet's age, Home,

Introduction and Product Disclosure Statement (continued)

medical history, and changes We may make to the level of Cover. Your renewal premium may also reflect any change in circumstances.

Once You have paid the premium for the next period of cover the renewal invitation will be the Schedule for Your next period of cover and will form part of this Policy.

Our Commitment to You

We value Our customers and work hard to build strong and lasting relationships.

When dealing with You We will act reasonably, respectfully and fairly towards You, taking into account Your and Our respective interests.

We will do so by:

- > managing Your Policy and any claim You may make courteously, promptly and efficiently;
- > respecting Your entitlement to the full benefit of the Cover provided by Your Policy in respect of any Covered claim;
- > giving reasonable consideration to any request You might make;
- > applying sound judgement before exercising any right, discretion or remedy in respect of Your Policy Cover; and
- > ensuring any conditions We impose are reasonable in the circumstances.

What Happens if You Disagree with One of Our Decisions or Have a Complaint about Our Service?

Despite Our best intentions, sometimes We get it wrong.

If You want to question one of Our decisions, or if You have a complaint about how We have handled Your Policy or claim, We want You to tell Us.

Please do not hesitate to contact Us should You have any matter which You feel has not been satisfactorily resolved.

Complaints and Disputes Resolution

When a complaint or dispute arises Our objective is to resolve any disagreement as amicably and quickly as possible.

If You would like to make a complaint please call Us during office hours and speak to one of Our staff who will assist You.

In those instances where We and You cannot resolve Your complaint to Your satisfaction We have a formal complaints and dispute resolution process that is fair, efficient and accessible to all Our customers.

You may request that the matter be referred to Our Dispute Resolution Panel who will endeavour to resolve it through Our internal dispute resolution process. This service is free of cost to You.

You can view Our complaints resolution procedures at vetschoice.guildinsurance.com.au/support/complaints-and-dispute-resolution

If Our internal dispute resolution facility is unable to resolve Your dispute and You wish to take the matter further, You are entitled to seek an external review of the decision. We will advise You of Your entitlement to do so if the occasion arises.

In particular, for some types of general insurance You can access the assistance of the external dispute resolution scheme administered by the Australian Financial Complaints Authority (AFCA). This scheme is also free of cost to You.

Alternatively, You may seek independent legal advice at Your own expense.

Cooling-off Period

If this Policy does not meet Your needs then You may cancel it within twenty-one (21) days of the commencement of Cover by notifying Us. You will receive a refund of the Premium You have paid unless You have made or are entitled to make a claim under this Policy.

You still have cancellation rights after this cooling-off period ends and these rights are set out in the General Conditions of this Policy.

Financial Claims Scheme

This Policy may be a 'protected policy' under the Federal Government's Financial Claims Scheme (FCS) which is administered by the Australian Prudential Regulation Authority (APRA). The FCS only applies in the extremely unlikely event of an insurer becoming insolvent and the Federal Treasurer making a declaration that the FCS will apply to that insurer.

The FCS entitles certain persons, who have valid claims connected with certain protected policies issued by that insurer, to be paid certain amounts by APRA.

Information about the FCS can be obtained at fcs.gov.au or by calling APRA on **1300 558 849**.

General Insurance Code of Practice

We are a signatory to and fully support the General Insurance Code of Practice (the Code).

The objectives of the Code are:

- > to maintain and promote trust and confidence in the general insurance industry;

The Code Governance Committee is an independent body that monitors and enforces insurers' compliance with the Code.

Significant Features and Benefits

Vets Choice Insurance is designed to help Pet owners manage the unexpected financial risks associated with ownership of their family Pet.

The Policy does not Cover every circumstance or expense and We have certain terms, conditions, exclusions and limitations that are designed to help keep Premiums low.

Your Policy Covers have been selected in consultation with practising Australian Vets to provide protection against large and unexpected Treatment costs. This includes broad coverage for Accidental Injuries and Cover for a list of

specified Illnesses stated in the Policy. If Your Pet is diagnosed with one of the specified chronic conditions, namely arthritis, diabetes or epilepsy, We will only Cover You for the costs involved in the investigation and diagnosis by Your Vet, not for any ongoing Treatment of those conditions.

Before You enter into an insurance contract, You have a duty under the Insurance Contracts Act 1984 to take reasonable care not to make a misrepresentation.

Any offer of insurance depends on Our assessment of Your circumstances. Our decision will be based on the information You give Us in response to the questions We ask when You apply for, renew or change Your insurance with Us.

Each question We ask You is important to Our decision to provide You with cover. Even matters that may seem minor can affect Our assessment. You should therefore treat every question as important.

If We ask You questions that are relevant to Our decision to insure You and on what terms, You must take care to answer the questions truthfully, accurately, completely and to the best of Your knowledge.

You have this duty until We agree to insure You.

Introduction and Product Disclosure Statement (continued)

Failing in Your Duty May Impact Your Cover in a Significant Way

Inaccurate, incomplete or misleading information may have a serious impact on Your insurance. We may cancel Your contract or reduce the amount We will pay You if You make a claim, or both.

Important Information

The following important information applies to this Policy. Please read it carefully and if You are in any doubt as to how this information may affect You please contact Us and ask for an explanation.

Alteration of Risk

This Policy Covers You as You have represented Yourself to Us. It is important for You to advise Us immediately of any changes to Your circumstances that You could reasonably be expected to know, may result in an increased risk of an incident that may cause harm to Your Pet or liability to third parties.

In particular, We need You to advise of any change that involves:

- > a change to Your Home address or the address where Your Pet normally lives if Your Pet no longer lives with You at Your Home;
- > the ownership of Your Pet;
- > Your dog being declared a dangerous dog, a menacing dog or other similar declaration;
- > any restrictions being placed on Your dog; or
- > Your Pet being de-sexed.

You should refer to the general exclusions of this Policy to understand what We do not Cover in respect of dangerous dogs.

When You advise Us of a change, We will assess whether and to what extent the changes increase or decrease the risk in accordance with Our underwriting rules and processes.

If the assessment is that change alters the risk under this Policy We may:

- > propose changes to the terms of this Policy; and/or
- > ask You to pay an additional Premium for changes which increase the risk, or refund Premium to You for changes that reduce the risk; and
- > if You agree, issue You with a revised Schedule to confirm the agreed changes.

If We do not agree with the change or You do not accept any proposed variation to the terms or Premium payable, We may cancel this Policy, in accordance with the provisions of the Insurance Contracts Act 1984 (Cth) or any subordinate legislation, subsequent amendment, re-enactment, replacement or successor legislation, should We not wish to continue with this insurance.

If You do not advise Us about a change We may refuse to pay all or part of Your claim under this Policy where permitted to do so by the Insurance Contracts Act 1984 (Cth) or any subordinate legislation, subsequent amendment, re-enactment, replacement or successor legislation.

Commencement of Cover and Cover Limitations

Commencement of Cover

The Cover provided under this Policy does not commence until We have accepted Your Application or We have otherwise confirmed We have accepted Your insurance and You have paid the Premium to Us.

Your Policy commencement date is shown on Your Policy Schedule.

Cover Limitations

The Policy contains exclusions to Your Cover and You should read the Policy wording in each Part and in the 'General Exclusions' of this Policy to understand what is not Covered and to satisfy Yourself that this Policy meets Your needs for Cover for Your Pet.

In particular the Cover under:

- > Part A – Accidental Injury; and
- > Part B – Specified Illness:

will not Cover You for every accident or Illness Your Pet has.

Part A – Accidental Injury

Most injuries are Covered under Part A – Accidental Injury. We tell You those accidents or injuries We do not Cover.

You should read Part A – Accidental Injury and the definition of 'Accidental Injury under 'General Definitions' to make sure this Cover meets Your needs and familiarise yourself with the relevant Waiting Periods accordingly.

Part B – Illness

Most Illnesses are Covered under Part B – Illness. We tell You those Illnesses We do not Cover.

You should read Part B – Illness and the definition of 'Illness' under 'General Definitions' to make sure the Cover for the Illnesses We specify meets Your needs.

Alternative or Complementary Treatment

We will not Cover You for any expense incurred in respect of Alternative or Complementary Treatment (as defined in this Policy) being provided to Your Pet.

You should refer to the definition of 'Alternative or Complementary Treatment' under 'General Definitions' for details of Treatments We do not Cover.

Important Information (continued)

Costs Incurred After the Period of Cover Expires

If You continue to incur expenses beyond the Period of Cover in which Your Pet sustains the Accidental Injury or Illness You will only be Covered for those expenses if You have renewed Your Policy with Us.

Costs Incurred Prior to Commencement of Cover or During the Waiting Period

Your Policy **does not Cover** costs incurred in respect of an Accidental Injury or Illness that You could reasonably be expected to know occurred or existed before Your Pet's Cover under this Policy first commenced or before the completion of any Waiting Periods stated in Your Policy or on Your Schedule.

Your Cover – Benefit Level

A Benefit Level will apply to Your claim under this Policy. The amount of the Benefit Level applicable is shown on Your Schedule.

We will apply the Benefit Level, after deducting the amount of any applicable Excess, to any claim under this Policy. Any Benefit Limit or sub-limit will be applied after the Excess and Benefit Level.

Example 1:

You have an Excess of:	\$200
Your Benefit Level is:	80%
Your Claim cost for Treatment is:	\$3,000
We will pay	\$2,240

(Total Treatment costs \$3,000 – Excess \$200) X 80% Benefit Level.

Any applicable sub-limit and Benefit Limit will be applied after that calculation.

Your Cover – Benefit Limit

The Benefit Limit shown on Your Schedule represents the maximum amount You are Covered for in respect to all the claims You make in any one (1) Period of Cover per Pet; but not including any claims for Pet Owners' Liability. Any costs You incur above the Benefit Limit for Treatment of that same Pet during the same Period of Cover will not be Covered.

Example 2:

Your Benefit Limit is:	\$10,000
Total already claimed during the Period of Cover per Pet:	\$7,000
Any further costs for the same Pet during the same Period of Cover will be limited to :	\$3,000

Your full Benefit Limit will apply again when You renew Your Policy.

Your Cover – Sub-Limits

There are Parts of Your Cover that have a particular Benefit Limit. We call this a Cover sub-limit.

If a sub-limit for a particular item, condition or Treatment is shown on Your Schedule or elsewhere in Your Policy, We **will not pay more** than that amount in total for that item, condition or Treatment in any one Period of Cover (subject to the Benefit Limit having not been exceeded).

Example 3:

- > The **maximum We will pay** for the Treatment of tick paralysis in any one Period of Cover is \$2,500 whether this cost arises from one (1) or multiple claims during that Period of Cover.

Other Limits

There are other parts of Your Cover where a particular limit may apply. You should read the Policy Cover to ensure the Cover provided meets Your needs.

Your Cover – Part C - Pet Owners' Liability

Your Cover under Part C – Pet Owners' Liability is limited to:

- > Claims arising from an Occurrence happening in Australia only;
- > a separate Limit of Liability as shown on Your Schedule: and
- > is inclusive of Defence Costs in relation to any Claim;
- > is the maximum amount We will pay in respect of all Claims in total under that Part in any one Period of Cover.

You should read Part C of this Policy to fully understand the Cover provided under that Part.

Excess

An Excess may apply to each claim under this Policy. The amount of any Excess applicable is shown on Your Schedule.

We will deduct the amount of any Excess from Your claim before applying Your Benefit Level, Benefit Limit or sub-limit.

Your Excess is only applied once per claim even if You claim under more than one Part of Your Policy.

Where You claim for an ongoing condition over multiple Periods of Cover only a single Excess will be applied.

You should read the section How We Settle Your Claim to make sure the Cover meets Your needs.

Important Information (continued)

Financial Support for Associations, Your Veterinarian and Charity

We pay interested parties and Our referral Partners up to 10% (ten per cent) of Your Premium before government charges, in total no more than 18% (eighteen per cent).

These relationships include:

- > the Australian Veterinary Association (AVA) where Our support may include financial assistance for:
 - > sponsorship;
 - > research and development;
 - > marketing assistance;

and

- > Your referring Veterinarian; and/or
- > charity and animal welfare organisations.

If You require further information about Our agreement with the AVA, Your Vet or the charity, please contact Us.

Interests of Other Parties

This Policy will only Cover the insurable interest of the person or entity stated in the Schedule unless otherwise specifically Covered under any Part of this Policy.

Lifetime Care – Renewal Guarantee

Your Pet has lifetime care renewal guarantee under this insurance Policy.

This means You can continue to claim under this Policy for Your Pet's Treatment for a Covered Illness or an Accidental Injury throughout Your Pet's lifetime provided You renew the Policy annually without a break in Cover, while We continue to issue Accident and Illness cover for Pets.

Cats and dogs, like humans, are more prone to illness as they get older and their likelihood of needing Treatment increases. This means that Your insurance Premium is likely to increase each year as Your Pet gets older.

Pre-existing Conditions

We will not Cover You for the cost of any Treatment for a Pre-existing Condition or any condition that is Related or Bilateral to a Pre-existing Condition.

It is important You are aware of these particular limitations of Your Cover.

We understand these terms might be difficult to understand so We have provided an explanation and examples here to make them clearer.

What is a Pre-existing Condition?

A Pre-existing Condition is an injury or illness occurring or existing prior to the commencement of Cover under this Policy, or within the Waiting Period, that:

- > You were aware of; or
- > a reasonable person in Your circumstances could be expected to be aware of.

Example 1:

Example 2:

- > Your Pet suffers from an existing arthritis condition in its knees prior to Cover under this Policy commencing or during the Waiting Period. If later, after the Waiting Period, the same arthritis condition spreads to Your Pet's back, this will be considered to be a continuation of the original (pre-existing) arthritis condition and **will not be Covered**.

What is a Related condition?

A Related condition:

What is a Bilateral condition?

A Bilateral condition can occur in body parts of which Your Pet has at least two: one each side of the body (e.g. ears, eyes, knees, cruciate ligaments).

When an injury or illness occurs that is the same as a Pre-existing Condition, but affects the Bilateral body part, **We will not Cover** You for the cost of any Treatment.

Example 5:

- > If Your Pet shows signs of a cruciate ligament issue in the left leg prior to commencement of Cover under this Policy or within the Waiting Period, any Treatment for a subsequent cruciate ligament issue in the right leg would be considered a condition Bilateral to a Pre-existing Condition and **would not be Covered**.

Cured Pre-existing Condition

Where it can be demonstrated that a Pre-existing Condition is fully cured and is no longer relevant to the ongoing health of Your Pet that condition will no longer be excluded from Cover for any future Treatment.

Example 6:

- > If Your Pet has shown signs of an ear infection prior to Cover under this Policy commencing, or within the Waiting Period, that condition will be considered a Pre-existing Condition and all costs relating to that condition **will not be Covered**.

However, once that ear infection has been successfully Treated and complete healing evidenced to Our reasonable satisfaction, including no ongoing Treatment or medication, any subsequent incidence of ear infection would no longer be considered a Pre-existing Condition.

Chronic and degenerative conditions **will not be Covered** under Your Vets Choice policy unless they occurred after You joined Vets Choice. Arthritis, diabetes, epilepsy, and joint or ligament deterioration are examples of chronic and degenerative conditions.

However, We will provide Cover for any congenital defect or health abnormality present in Your Pet as a part of Your Pet's normal state of health provided:

- > You were not aware of; and

Important Information (continued)

Waiver of Rights and Our Right to Recovery

Waiver of Rights

No provision of this Policy, either in whole or in part, shall be considered to have been waived by Us unless the provision is expressly stated in writing to be waived by Us.

Where We do waive Our rights to subrogation that waiver will be stated in any relevant Part of this Policy. You should refer to the Policy wording for those Parts where such a waiver applies.

Preventing Our Right to Recovery

If You have agreed not to seek compensation from another person who is liable to compensate You for any Loss, damage or liability which is Covered under this Policy We may not Cover You under this Policy for that Loss, damage or liability.

How We Settle Your Claim

Part A – Accident and Part B – Illness Cover

We pay Your selected Benefit Level of approved claim costs, less any relevant Excess, up to the annual limit for most claims (unless a sub-limit applies) under Your Policy. The Benefit Limit of \$15,000 is the **maximum We will pay** for each Pet in the Period of Cover.

Example 1:

> Your Vet Fees for any one claim are:	\$1,200
and assuming We approve Your Vet Fees in full, and Your Policy Excess is:	\$200
Your Benefit Level of the costs after the Excess is deducted:	\$1,000
Where You have selected a Benefit Level of 100%:	\$1,000
Where You have selected a Benefit Level of 80%:	\$800

Only the amounts We pay You will be counted against Your Benefit Limit, or any sub-limit that applies.

In the event that a claim is subject to a sub-limit, as shown on Your Schedule, then the sub-limit is the maximum We will pay for claims of that type for each Pet in that same Period of Cover.

Example 2:

> After deducting Your Excess and applying Your Benefit Level percentage, Your claim costs are:	\$4,500
Where the injury or Illness type is subject to a sub-limit of:	\$2,500
then We will pay You:	\$2,500

Once You have exhausted the applicable sub-limit in a Period of Cover, You would not be able to make any further claims of the same type for Treatment within that same Period of Cover.

Part C – Pet Owners' Liability Cover

Claims in respect of Pet Owners' Liability are treated in a similar manner to Accidental Injury and Illness. The main differences are:

- > Defence Costs are included in the Limit of Liability and are taken into account when arriving at the total cost of the Claim; and
- > the maximum amount that can be paid by Us in any one Period of Cover is \$100,000 for all Claims in that same Period of Cover.

What We pay for

Your claim is based on factors such as the following:

- > whether Your Policy provides Cover for the injury, illness or treatment Your Pet receives;
- > whether the Vet Fees incurred were required and are reasonable as assessed by Us;
- > whether an Excess and Benefit Level applies;
- > the Benefit Limit that applies; and
- > exclusions, general conditions and general claims conditions that apply to Your Cover.

In addition, for any Claims under Part C – Pet Owners' Liability:

- > whether Your Policy Covers the allegation of liability made against You; and
- > the Limit of Liability that applies.

- ii. Our refusal to pay for any further Treatment costs that Our Veterinary Consultant considers to be unreasonably required or excessive.

We will not take this course of action without first discussing this issue with You.

Claim Payments

Claims Payments in Australian Currency

Payment of all claims Covered under this Policy shall be made in Australian currency only.

Payments You Make to Your Vet or Veterinary Practice or Other Service Provider

When You have paid Your Vet, Veterinary Practice or other service provider for the services provided to Your Pet We will reimburse You for those fees upon receipt of a fully itemised invoice.

We will only pay that amount of the invoiced fees or charges that remain after deducting Your Excess and applying Your Benefit Level, any applicable sub-limit and Your Benefit Limit to Your claim.

If an additional charge is added to the cost of Treatment provided due to the late payment of fees, and You unreasonably fail to meet the payment date, We will deduct this charge from the claim settlement.

Payments We Make to Your Vet or Veterinary Practice or Other Service Provider

We will make payments direct to Your Vet, Veterinary Practice or other service provider where they agree for Us to do so:

Provided that:

- a. if We receive a request to pay the claim settlement direct to Your Vet, Veterinary Practice or other service provider We reserve the right to decline this request, however We will not unreasonably do so;

- > whether or not, on the information provided by You, the claim is Covered or not Covered under Your Policy, and if Covered:
- > how much We agree to pay for the proposed Treatment and how that amount is calculated.

We will advise You if there is any part of the invoiced fees or charges that are not Covered by Your Policy.

Pre-approval of Fee Payments for Non-emergency Treatment

Where a non-emergency Vet Treatment for Your Pet can be scheduled for a future date, You may request that We pre-approve the Treatment prior to it being carried out.

We will not unreasonably refuse Your request for pre-approval and may seek advice from a mutually agreed independent Veterinary Consultant.

Our pre-approval process may take 5-10 business days depending on the nature of the Treatment required.

Once You have lodged a claim requesting pre-approval, You or Your Vet are required to provide Us with an itemised estimate of the proposed Treatment costs.

We will agree to Your request for pre-approval if:

- a. Your Policy Covers the proposed Treatment;
- b. We agree the proposed Treatment is necessary;
- c. We agree with Your Vet's proposed fees; and
- d. Your Vet or Vet Practice has agreed to invoice Us for the agreed claim amount.

We may rely on such information to determine Our obligation to provide Cover under this Policy.

You will be required to do all that is reasonably necessary to assist Us for the purpose of enforcing any rights and remedies or of obtaining indemnity from any other party to which We are entitled under this Policy.

The amount recovered will be applied first to reducing the amount by which Your Loss exceeds the sum of the payment made by Us and any Excess applied. Any balance remaining after You have been fully compensated for Your Loss, up to the amount We have paid to You to settle Your claim under this Policy, including Our legal costs for recovery, will be retained by Us.

Preservation of Evidence

You are required to take all reasonable actions necessary to retain and preserve anything which might prove necessary or useful as evidence in connection with any claim under this Policy.

If, over the lifetime of Your Pet:

- a. You have claimed substantial amounts under this Policy in respect of Your Pet's health; or
- b. We consider the Treatment Your Pet is receiving may:
 - > not be reasonably required; or
 - > be unreasonably excessive when compared with the Treatment normally recommended to Treat the same Accidental Injury or Illness by general or referral Veterinary Practices;

We may request an additional opinion from an independent and mutually agreed Veterinary Consultant to make sure Your Pet is receiving the right care.

When We do so, and You agree, We will pay for:

- i. the cost of the examination by the Veterinary Consultant; and
- ii. the necessary and reasonable expenses incurred by You with Our prior written consent for You, or someone acting on Your behalf, to attend the appointment with Your Pet.

If the Veterinary Consultant does not agree that the Vet Treatment provided is reasonably required:

- > all future Vet Treatment (other than emergency life-saving Treatment) that has the prior approval of the Veterinary Consultant will be Covered by Your Policy;
- > We may advise You that all other future Vet Treatment (other than emergency life-saving Treatment) may need to be authorised by Us before Treatment is carried out; and
- > We may decide to pay only the cost of the Vet Treatment that was necessary to treat the Accidental Injury or Illness as advised by the Veterinary Consultant from whom We have received the additional opinion.

We will not take this course of action without first discussing this issue with You.

Fees and Costs

You are required to take reasonable steps in the circumstances to ensure the fees charged by Your Vet, Veterinary Practice or other service provider are reasonable for the Treatment provided.

Where We believe the fees have been charged at a level higher than normally charged for such Treatment, We may request an additional opinion from an independent and mutually agreed Veterinary Consultant, or similar service provider.

In the event that:

- a. it is determined the fees are unreasonable; and
- b. Your Vet, Veterinary Practice or other service provider does not agree to revise their fees in line with the advice of the Veterinary Consultant or similar service provider;

General Claims Conditions (continued)

We may decide to pay only the Vet Fees or other fees usually charged by a general or referral practice or a similar service provider in a similar area.

- a. Senior Counsel mutually agreed upon by You and Us; or
- b. if no agreement can be reached within a reasonable time, the President at the time of the Law Society of the State or Territory in which this Policy has been issued;

advises that such proceedings should be contested after taking into consideration:

- i. the likely cost of defending the Claim;
- ii. the prospects of successfully defending the Claim;
- iii. the economics of the matter;
- iv. the likely awards or damages; and
- v. the likely costs recovered from the third party.

The costs of such Counsel's opinion shall, for the purpose of this Policy, be regarded as part of the Defence Costs.

Where We recommend settlement of a third party Claim and You do not agree with the proposed settlement but wish the matter to remain contested, Our liability under this Policy shall not exceed:

- > the amount for which Senior Counsel advises the matter could reasonably have been settled;
- > including Defence Costs incurred up to that time.
